After all the talking, Pamisha got the idea to play the game that she was playing with Penelope last night, Hide and Go Seek. Everyone agreed, but truly Hamtaro didn't want to, but he thought it must be his imagination.

>

>
Hamtaro- Man, hey guys, are you in here? Guys!

>
Hamtaro turned around over the whole room and as he was about to leave, he heard a noise behind the long coats that reaches to the floor, as Hamtaro, shivering in fear, slowly walked toward the stack of coat, he slowly put his both hands between 2 coats and as he trembled for a moment, he then opened a gaped between the coats and saw nothing, but then, a head of a dead hamster with black hair pop up and then...

Laura then started to run again and as she ran through the hallways upstairs, she went into her room, and locked the door and then she sat on her bed with her feet on the floor and with Hamtaro on her bed. Laura was gasping and a bit crying. After a few seconds, about 32, nothing happened, so Laura thought it might have been her imagination, until, something under the bed grabbed Laura's ankles then pulled them, causing Laura to land on her belly on the floor. The things was the girl they just saw downstairs and as it was pulling Laura under the bed, Laura struggled to get the girl's hands off of her.

Laura then moaned for a while, but then she was about to get up, she turned and saw The girl, about 10 away, slowly, slowly walking to her. Laura then got up on her feet and was

The Ham Hams gasped in shock for Hamtaro going trembling down the stairs.

Boss- How!? Did it hurt?

Hamtaro then leaned his head down as she was getting a little upset for what he's about to say, he even got a little tears in his eye.

Hamtaro- Laura, she uh... she was running away from this thing, a horrible thing, but then she trip by someway and she dropped me and... (sobbing, and turns to Laura who is in the other bed beside him), IT'S ALL MY FAULT!

Boss- Hamtaro, this is not your entire fault! It was an accident!

Hamtaro- Why!? Why is she doing this, why!?

Boss- I don't know, but we all are going to put this thing out cold!

Ham-Hams- Yeah!!!!

Hamtaro then wiped off his tears and raised his head and smile and with a happy voice, he said...

Hamtaro- Thanks, but I think I better get my rest, so I'll see you soon.

--8:00 pm â€" 12:00 am---

As Hamtaro slept through 4 hours, he finally had a good dream, that he and his friends are back home safe from all of this, but then his dream is interrupted by a fainted sound he heard outside of the room. Hamtaro then grabbed his covers al put it high to block his view, but as slowly time passes by, Hamtaro put down his covers and then slowly got off of his bed and as he walk toward the door, he then stops. The door just slowly opens as he hears the creaks. Hamtaro wheezed as he went from a snail's pace to hastily of walking back. All of a sudden, Hamtaro tumbles down, while that, Hamtaro keeps pushing with his feet of the ground in order to push him back.

Hamtaro- Laura, Laura!!!

Hamtaro turns to face the other side the room, but he also faces the left bottom side of the bed. Hamtaro faces under the bed, it's awfully murky, but afterward, a pair of pale arms came out from the shadows.

Hamtaro- AHHHHHHH!!!!

The scream of Hamtaro have woken up Laura, as she swiftly raises half of her body, she turns left and then she noticed the door opened, then she saw something moving on the ground, going out of the room, Laura quickly got out of her covers and ran for Hamtaro.

Laura- Hamtaro, come back!

As Laura left the room, the door shut behind, as she hears the slam sound behind, she turns slowly, about 3 seconds later, she hears a cat roaring in the air, Laura sweats out a river, but as the roaring sound ended, she starts to run.

--1 Hour Later--

Laura looked over an hour for Hamtaro, she turns corners and walks hallways and even checks in room, which were even closed, which she knows that Hamtaro, her furry little friends couldn't even open nor close these door. As Laura went from the 6th Floor to the 5th Floor of the hospital. She did the same thing, check the rooms and goes through hallways and cut corners, this all stops as she went at the room, with the room, number 999, Laura was in fright as she detect 2 things, one was that 999 meant something like the devil, and second, that the door next to it had the number 321 and then door next to that door had the room number 320.

Laura started to shiver, but then she became more frightened for what happened next, the door to the room 999 just opened and in front of her in the dark was a pale girl with black long hair, Laura scream.

Laura- AAAAAAAAAHHHHHHHHHHHHHHHHHHH!!!!

Laura runs away and goes down a hallway in fear then as she was at the front desk for the 5th Floor, she quickly picks up the Phone and she quickly presses the number... 2, 7, 3, 0, 1, 1, 4, 2, 6, 4, 5, 5. As the phone ring, she suddenly sees the girl at the end of a hallway in front of her, just standing there. Laura was frightened as the girl just stood there with her blood red eyes just facing here. The Phone finally picked up and as the voice of Laura's Dad....

Laura's Dad- Hello? Hello? Is anyone on the phone?

The girl started to run toward Laura, and all Laura could say was

Laura- Dad! Please help me! HELP!!! DAD, PLEASE HELP ME!!! NO!!

Laura drops the floor and goes running away from the girl, as Laura passes through hallways and goes like in circles in this maze, she finally got to her sense, she saw a Stairs sign on a door and as she skids across the floor as she trips from running, she notice the girl still following her

Laura- Ahhhhhh!!!

Laura opened the door and as she starts to walk down a few steps, she turns a notice, the girls is not coming, but then... The lights of the Hospital just went off, the only light that could be seen was the

light coming out the window on every floor in the staircase section, Laura just ignore it and went down the stairs and went down the floor, as she was about to enter the 1st Floor, she trips and as she flew across to a wall with her body weight and the wall hitting against each other with Laura's left arm in the middle, instantly bruising her arm. Laura then fell to the ground in pain. Laura then got on her feet, but still on the ground, she heard a door opening on the second floor and as the second floor is just 8 steps away, she could see, the girl, Laura then grabbed the stair handles quickly went down into the 1st Floor as the girl was running for her, Laura pushes the door opened to enter the 1st Floor, put after a few steps, she trips

Laura tries with all of her strength to lift her body up on her feet, but when she trips, the cause of the effect was when she put her left feet in front her and knowing that she's in a hurry, she accidentally kicked her left leg.

Laura then decided to crawl away, but then she hears steps approaching, Laura the started to yell.

Laura- No, No! Help! Oh, God! Help!

Laura is now trying to crawl into the entrance of a hallway, and as she was at the corner of 2 walls, (from now I'll say the right corner or left corner) her arm was grabbed.

Laura- Ahhhhhhhhhhhhhhhhh!!!!

Laura then hit the arm, but then she notice the arm wasn't pale and then walking in front of her was her father, was the one holding the arm. Laura's Dad then grabbed Laura and then hold her in his arms, Then out came her mother.

Laura- Oh! Mom, D-Dad! Oh, God (sobbing)

Laura's Dad- It's OK, dear, settle down, I'm here, it's OK. Please settle down.

Laura's Mom the dashed to Laura who was in her husband's arm and then holds on of Laura's hand and the father holds the other hand.

Laura- Ow, stop! It hurts!

Laura's Mom- Laura, please calm down, Mommy's here!

Laura then tried to hold in her tears, but she can't, but she was stop yelling, she was just saying nothing as tears came out of her. Laura and her parents both then decided to go upstairs by taking the elevator.

Laura- No, let's take the stairs!

Laura's Dad- Don't worry honey, nothing is going to happen.

Laura- No! Something is out there!

Laura's Mom- Honey, please, you were just seeing things.

Laura- No, I wasn't it felt real!

Laura's Dad- It's OK, we'll just go-

--DING--

The Elevator finally came down from the 6th Floor. Laura's eyes then went wide, because she remember while being chased by the girl, it said in the screening that the elevator was on the 1st Floor, but she then tried to fall asleep.

As the family entered the elevator, time passes by. Laura's Mom, notice a mirror behind from her first visit to the hospital, she decided to look again. Thus time, Laura's Mom saw a girl stand in front of her family.

Laura's Mom turn back and saw nothing, she thought it was just her imagination, as they enter the 6th Floor and exit the elevator, and they notice the lights came back on.

--Laura's Hospital Roomâ€”

Laura finally calmed down and she and her parent are just talking and Laura was in her covers.

Laura- Mom, Dad, I feel something's right, like something is...

Laura's Mom- What honey?

Laura- Haunting. I mean, all the time I first enter that house and keep staying in that house, I felt something was wrong.

Laura's Dad- really, and oh Laura, where's Hamtaro?

--Security Roomâ€”

We see Hamtaro on the desk, sitting down with his head on his knees and his arms around his knees, he shivers in fear, after a little while, Hamtaro thought it would be safe to go out, but then he heard something, the same croaking sound he heard back at the house, Hamtaro then quickly went back down on the floor and closed the door by pushing it with all of his strength and then got on a chair and went up and locked the door.

Hamtaro then turn and looked at the computer the screen and then he saw Laura's father coming out Laura's Hospital Room, Hamtaro then jumped off the chair and jumped on to the computer screen. Hamtaro saw Laura's father going in the Elevator, but then as Laura's Dad went in the elevator, something came out, it seems to be a huge black fog, the fog suddenly covers the whole computer screen, Hamtaro was beginning to sweat, but then he saw a pair of eyes opening cover in darkness, Hamtaro shrieked and pushed himself back as a reaction and fell to the floor from the desk. Hamtaro rubs his head.

Hamtaro- Ow, that hurt. Oh, man! What's going on here?

Hamtaro was then startled for the doorknob was being shaken, as Hamtaro turns his head saw a frightful sight, 3 girls with pale faces and long hair was pounding on the door and even having both hands on the window. Laura then went under the area of the desk where people put there legs and hid under there, still facing the door and the 3 girls trying to get in.

Hamtaro- No! Go Away!

Hamtaro then felt a breeze for there is a tiny opening in the area and then hands came out of it and as they tried to grab Hamtaro, Hamtaro screamed.

Hamtaro- Ahhhhhhhhhhhhhhhhhh!!!

Hamtaro got on his feet and ran toward the door and unlock the door and opened with all of his strength, but when he turned around he notice half of the girl's body was on the floor, under the table crawling to him, Hamtaro finally got the door opened, but he bumped into something and it was... ****Boss****- OK, Hamtaro, it's OK, we're here.

Hamtaro then catches his breathe and slowly try to breath normally. Hamtaro then wiped some tears off his face. Hamtaro then let go of Boss.

****Hamtaro****- Boss, I feel it's getting worse, I just feel...

Bijou then stepped forward from the crowd of Hamster and held Hamtaro's hand and then spoke.

****Bijou****- Hamtaro, It will be alright, I promise

****Hamtaro****- But you don't understand, this things is haunting me, ever since I went into that house, things have been horrible, (sobbing) I thought you would understand that, but (pull his hands away from Bijou's reaching and steps back) you know what, I'll do it myself, you can't help me, IT TOO PAINFUL!!!!

Hamtaro then turned around and walked away from his "friends". Hamtaro then decided to go to the elevator to be with Laura whom he thought was unaccompanied, but then Hamtaro knew that he couldn't reach the elevator door button by himself and the stairs would take too long, but as he ran by an elevator, it just opened. Hamtaro then had a look on his face, a look that just looked so terrifying. Hamtaro then heard a noise from the end of the hallway on his left, a croaking sound. Hamtaro then quickly dashed into the elevator. The doors closed, but then something strange happened, the elevator started to shake and started to go up, he didn't even pressed any buttons, let alone could each them.

Hamtaro crawled into a corner in fear for what he thought was going to happen, as he enters each floor to the top floor, it feels like marching to your fate, Hamtaro then started to put both of his hand on the walls, trying to get far away from the door, but when he heard the "Ding" and notice the elevator stopped moving, he was in shock. The doors opened and he saw... Laura's Dad, Laura's Dad then heard a squeal and looked down and saw Laura's Hamtaro in the corner, scared. The Dad picked up Hamtaro in his hands and walked to Laura's Hospital Room, but then he heard Hamtaro squeal, again.

****Laura's Dad****- Don't worry, little fella, you'll see Laura soon.

Hamtaro didn't squeal because of that, he squealed because in the mirror in the elevator, he could have sworn that he saw a little naked white pale boy with red blood drenched eyes. As the elevator doors shut and Laura's Dad enter Laura's Hospital Room, Hamtaro also heard some whisper in the air, something that sounded like, "teehe urse". As Laura saw Hamtaro in her dad huge and bold hands, she quickly leaped out of her bed and ran to get Hamtaro.

****Laura****- Hamtaro, you're OK!!!!

Laura in great cheer was finally thankful that Hamtaro is well and fit.

****Laura's Mom****- Laura.

****Laura****- Yes?

****Laura's Mom****- Are you OK being alone?

Laura then turned around and walked toward her bed and sat upon it, she the turned back, facing her parents.

****Laura****- I don't know, I just feel, oozy in a way, I feel like something is just... out there.

****Laura's Dad****- (walks toward Laura and sat on the bed beside her)

Well, I guess we don't mind staying here, if that's Ok with you.

****Laura****- That's perfectly fine with me.

As Laura, and her parents talked all night until morning, with cheer, but with a little precaution, Hamtaro was the only seemed to be worried, it seemed that his eyes could no longer be closed that he is sweating a river out of him. Hamtaro to me is a terrified rodent who is now in a deal of enormous terror and is drenched with oozing broad water.

****_--8:00 AM, Hospitalâ€"_****

A doctor who goes by the name Harry Joe, an American and 21-years-old then went up to Laura's room and analyzed Laura and Hamtaro and found nothing wrong what so ever with Laura and Hamtaro, but then Laura explained to the doctor that ever since he she went into that house they are staying ate, they she felt weird and felt something was wrong.

****Dr. Harry****- What do you mean by that Laura?

****Laura****- Well, its just that, that house, I feel has something weird in it and that I just feel something bad is going to happen.

****Dr. Harry****- Well, I'll tell you what, I will get Dr. Daniel Truman, he in psychologist and maybe he will help you from this delusion.

****Laura****- What!? I am not crazy, I'm sure maybe it might be a fragment of my imagination, but I know that something in that house, it causing all of this and I'll prove in one way or another.

****Dr. Harry****- Laura, please, don't be angry, it's just that your mind is projecting a suppressed passionate hallucination of something that you said caused all of this.

****Laura****- Shut up, if that's what you think, fine! (Laura walks out the room as she get dressed and get her coat)

****Laura's Dad and Mom****- Laura!!!

Laura then rushed out the hallways as she heard screams passing into her hear and see people in white coats, whom they called doctors. Laura decided to take the stairs. Stairs, stairs, stairs, that what passed through Laura's mind as she go from floor to floor, but she stepped upon the 3rd Floor, she heard a terrifying and horror oozy dripping sound, a croaking, the same croak that she heard back at the house, Laura then quickly rushed down the stairs, onto platforms between floors and finally she got to the 1st Floor, but she couldn't open the door, Laura then started to hit and kick the door, but then as she could she steps entering the 2nd Floor, she saw feet walking down, pale feet. Laura then started to kick and hit the door much more harder.

****Laura****- Nooo! Someone! Help me!!!! God, help me!!!! Someone!!!!

Laura then turned facing away from the door and looked toward the stairs and saw a teenage girl in a white dress, crawling down the stairs.

Laura then was in shock as each time that girl got closer to her, she would just feel like death is near her, but as she leaned on her back on the door, the door opened and she tripped on her back.

Laura, who has finally woken up from her sleep, can't seem to remember what happened last night, as if it has been erased from her memory. Laura tries to open her eyes, but it feels as if some force that we all feel is trying to close them. Laura got off the bed, still in her clothes that she wore yesterday, she then got on her feet and walked out of the room and went into the kitchen to get breakfast, but then Laura had a feeling, that something happened last night, but she can't put her finger on it.

Laura- Mom?

Marian- Yes, dear?

Laura- What happened last night??

Marian- Well, I don't remember either, but I think Forrest might know

Forrest- Well, I found you 2 asleep together, so I carried you guys downstairs in my bed and we sleep together, I must be strong to carrying you all, (Pose)

Laura still felt a little uneasy, as she knows that she being haunted, but she can't prove it, and she afraid too, Laura left the kitchen and decided to go out, around the city, only the places she knew that she explored with her parents.

Walking, walking, that's the only thing our Laura is doing, but as she walked, Hamtaro back at the house is... in his cage, asleep, as if he couldn't wake up if he wanted to.

--HAMTARO'S DREAM, KITCHENâ€"

Hamtaro, who knows something isn't right, is just sitting on the table, looking on the kitchen counter and see... red liquid, blood, a trailer of blood leading from the counter to upstairs in one of the rooms. Hamtaro, who was too much in fear, was in shock, all of the things that happened to him, it's just too much.

Hamtaro- Oh, man! I guess I should go up the stairs, Oh! It might be Laura, in danger!

Hamtaro rushed up the stairs in 5 minutes and then rushed in the room, right next to Laura's room, but when he went into the room, a man, a beard man with black short hair, is sitting on a chair, while his elbows are on the table, holding a bloody knife, and on the table is a white bag, with a woman in it, with long black hair, dead, and pale. The man is now grabbing a cat right next to it and as the cat roar, in pain and it is being stabbed and sliced...

Hamtaro's eyes are so empty, as if his soul is somewhere else, in a dark and consuming place. Hamtaro soon then let up of his scream and took an insightful breathe, gasping for air. Hamtaro's eyes then turn back into it cutest self and Hamtaro then got his breathe and looked around and suddenly spoke.

Hamtaro kept thinking and thinking, but nothing came up in his mind, is it that he is just afraid to think more larger thoughts, or he just don't know, which one, which one?? Hamtaro then raised his head very quickly, for he saw at the top of his sight when his eyes were facing the carrier's ground, a shadow passing by quickly. Hamtaro

then decided to work up all of his known courage and rushed out of his cage and rushed out of the room to follow what he saw. Hamtaro, who is looking at two hallways, one of his left and one of his right, and almost blind for the sunlight shining how him from a small window above and close to the ceiling in front of him.

After the long and vast meal that Laura and her family feast upon themselves, we go to Hamtaro, who is still in a state that with my own knowledge I can't explain, it's as if Hamtaro's mind is being infected with some virus of insanity. Hamtaro tries to act as if his mind was OK, and he was happy.

****Laura**-** Dad, do you think that we can leave, I feel as if something bad is going to happen.

****Forrest**-** Laura, listen, I know that we all felt a little odd, but I'm sure that nothing can happen. It's just that for some reason, we all are seeing and hearing things, but I'm sure we can make it for 4 more days.

Laura gasped her heart out, hearing the 2 words coming of her father's mouth, "4 days."

Laura just decided to "Go Along with the Flow" as people say, but Hamtaro is feeling more on the side of worried and paranoid rather on the side of joy, for the things he have been seeing, a woman covered in blood, a child with eyes that matches the devil's soul and croaking sound, it makes his mind about to crack.

****_LAURA'S PRESENT HOME, 11:00 PM, NIGHT_****

Laura and her family talked all the way back home, talking their soul out, but as soon as Hamtaro entered the grounds if this... place, where he fear something is roaming pass him, his body went into shock and his mind went somewhere most human minds can't go unless, they are in the state of fear and anger.

****_HAMTARO'S DREAM, KITCHEN, DAY_****

Hamtaro finds himself on the counter in this kitchen. He recognizes the blood on the floor and the knife on the table, it's the same place he round up the last time he had a dream. But he woke up on the floor, and last time, he wasn't in the state of fear, but in the state of anger.

For some reason, anger consumed through him quietly, but he never shown it.

Hamtaro jumped off the counter and did the same thing he did last time, follow the trail of blood, and as he pursues to the trail's end, he saw something different, the child that he have been seeing, with those eyes. Eyes that just go to your blood stream and gives you some force, that make you sweat, that makes you fear, and also something inside your mind that might crack. Into pieces, that is un-repairable busted jar, pieces of glass everywhere, that just can't be repaired.

Hamtaro just froze as if he was nothing more then a statue, the child with his pale skin walked toward Hamtaro and as he got closer and closer, Hamtaro felt as if his heart was about to explode.

****Child**- Meeooooooooooooooooowww!!!!**

Hamtaro's heart was only seconds away from death and as it beats faster and faster, something woke Hamtaro up, and as his dream faded into darkness and his heart slowed down, he heard some noise in the air that is familiar to his ears.

****Laura**- AAAHHHHHHHHHHHHHHHHHH!!!!
AAAAAAHHHHHHHHHHHHHHHHHH!!!**

Hamtaro opened his eyes and raised body back up from Laura's hand and saw something on the floor that might make Hamtaro wanting to kill himself... the dead body of the thief.

The thief's eyes were lifeless, as if it was hit by death in a way that could be nothing more than itself.

****_LAURA'S PRESENT HOME, 12: 02 AM, NIGHT_****

As the house that Hamtaro have been so afraid and mindless is being

covered with policemen, Laura is up in her room, packing up her stuff, she feels as if she can't go on in the house.

****Laura****- Hamtaro, you know that we must leave, something is happening around here, and I hate it.

Laura then rushed out of her room, passing by the policemen in her coat and rushed to her parent's room to talk about to agree with her to leave.

****_LAURA'S ROOM, 12:05 AM, NIGHT_****

Hamtaro is in his cage and in the little house, just sweating, and worrying about the future. After seeing Laura cry in fear, he was also afraid to see her get hurt

in his dream, about the house is empty and full of blood.

13. Chapter 13

****THE GRUDGE****

****Chapter 10****

As Hamtaro looks at the rain pouring down through the window, seeing in dark and evil night, he feels lonely and very worried, and yet more confident. Hamtaro looks down at his toes and he sits on Laura's desk, where he use to remember, she always writes down how her days was and how she talks to Hamtaro, as if she understand what Hamtaro is saying to her. Hamtaro then felt something went pass him, Hamtaro turns, and sees nothing.

As Hamtaro sees Laura right next to him, he notices something different, as if her soul is gone and no longer exists in her mind and body.

****Laura-**** Hamtaro, I think you need to take a bath, you haven't shower in awhile.

After a few moments, Hamtaro is in a big plastic bowl used in showers, which is small enough to fit on the desk, with a little water, soap and Laura bring a little water pail to make tiny sprinkles, like in a shower.

****Laura-**** Hamtaro, I'll be right back, I need to get the shampoo.

****Hamtaro-**** Man, I'm glad that all that's over, now I can relax.
Kush-Kush

Hamtaro, who is going over the water pail, decided to take a shower. Hamtaro washes his hair, he moves back of his head; Hamtaro then felt something, he dig through his fur and felt, a hand...

****Hamtaro-**** Gasp!

Hamtaro turns around and sees nobody; he then felt a chill running down his spine. He felt as if something is lurking around, watching him. Hamtaro then was in a state of fright, he then heard something, a rumble sound. Hamtaro turns and can't find where and what direction the sound is coming from, but that's until Hamtaro looks down and sees a ripple, coming and going. Hamtaro pull out his arm and slowly lowered his so that his hand to touch the water.

****Hamtaro-**** Maybe it's nothing.

Just right about when Hamtaro was going to take his hand out of the water, he felt a hand on his hand and the hand pulled his head in the water.

****Hamtaro****- Bbbbbbbbbbbbbbbbbbb!!!

Hamtaro, struggling to break free, opened his eyes and saw nothing, no hand, just nothing. Hamtaro pulled his out of the water and sees Laura, with the shampoo.

****Laura**** Hamtaro, is something wrong?

Hamtaro just felt a chill slithering around him.

****_--FEW HOURS LATER_--****

Forest and Marian are both worried out of their hearts

****Forest**** What are we going to do?

****Marian**** Nothing. That was back there, lets focus on what is right now

****Forest**** OK.

Forest hears a thump in above him, and judging by the sound's dimness, it was coming from the attic, Forest decided to go up there to see what all the noise is. As Forest walks through the hall on the second floor, he pulls down a rope, presenting the stairs to the attic. Forest walked up a few step, just enough to stick his head into the attic and along with his arms and turned on his flash light. Forest looked around and saw nothing, Forest then decided to descend back down, but something made him stop. He heard a noise behind him, a croaking noise and slowly turned around and saw... (Gasp).

Marian heard something from downstairs, a scream, she thought it was nothing. Marian was getting ready for bed and as she was about to tuck in, the phone ringed. Marian picked up the phone.

****Marian**** Hello?

****Voice**** (Croooooooooaaaaakkkkkkk)

Marian dropped the phone and slipped to the floor and crawled to her bed, and tucked herself under the covers, and was scared the hell out of her and while she try to sleep, a lump was growing under cover in front of her, and then something pulled Marian a bit forward and she looked under the cover. Marian gasped and she jumps out of the covers and started to crawl out of the room, but before she could move an inch, something grabbed her ankle and pulled her under the bed.

****Marian**** AAAAAAAHHHHHHHHHHHH-----

****THE GRUDGE****

Chapter 14****

Death. What is death, is it something slithers around you every time you think you're safe. It appears that death have plans for one specific person, someone who's life never had a tragic accident or who had a father who would hit you every time you did something wrong. But now, this person, this hamster, must face reality, no one can ever be safe from death. Hamtaro, a cute adorable hamster will now know the truth about a grudge, that followed him home.

****LAUAR'S ROOM, MORNING****

As the sun rises into the sky, dissolving darkness and creating light, Laura's eyes open and as the blur in her eyes fades away, she gasps for air, and shakes her head, as if it was used as a soccer ball and in her fragile, little mind visions. Visions of death and woes come goes, she slowly came into control, be able to feel her legs, and see the white wood upon her ceiling. Laura gets up on her feet and as soon she rises from the bed, she felt something in her hand, something familiar. Hair, long black, curled. Laura drops the pieces of hair and ran out of her room. Rushing down the stairs, tearing flying into the air and dissolving.

****MARIAN AND FORREST'S ROOM, LATER****

Laura enters his room, or so we think, for something lurks in this room, something evil, something just wrong. Laura looks around the room and only the strong sound of silent. Just about to leave the room, a sudden chill trekked down her spine. Slowly turning and looking down at the bed, Laura's legs started to moving not under her control and slowly bending to look under the bed and saw something which gave us the impression "Is it death?" Laura sees... her mom, death, with her eyes wide open. Laura sweeps back on her ass, shaking for what she saw next was incredible. A boy, crawling out of the bed, with the devil's eyes and white, pale skin. Laura, trying to get up, could feel her legs, her legs just froze up. Then suddenly, a noise, giving Laura courage to get up came forward

****Voice****- (Croaaaaaaaaaakkkkkk)

****Laura****- AAAAHHHHHHHHHHH!

Laura jumps up on her feet runs as far as she can, running up the stairs. Just as she was 10 seconds away from her room, she trips landing her head hard on the floor, knocking her out. Hamtaro, waken from the sound, he also gasps for air and as the sweat rivers down fur, he turns and sees, a paling darkness in a corner of his little mini home, and slowly growing bigger and bigger. The cloud of darkness slowly moves toward Hamtaro, and as the seconds go pass by, a strong wind comes out of nowhere, revealing eyes. Hamtaro went into shock as he screams, and receded back into a corner, barely able to move.

****HOURS LATER, HALLWAY****

Laura suddenly wakes out of her slumber, unable to see or even think about anything, all she sees is just light and the hallway.

Everything is starting to come back to Laura, everything is cleared.

****Grandpa-**** Laura?

****Laura**-** Grandpa? What's going on?

****Grandpa**-** Sweety, you have to come with me.

****Laura**-** NO!

Grandpa suddenly turned into a cloud of black fog, gasping for air. Laura screamed and spun around and finds herself

****--THE HOUSE, NIGHT, FRONT OF THE HOUSE--****

Laura looks around and screams out with all her heart

****Laura**-** NNNNNNNNNNNNOOOOOOOOOOOOOOOOOOOOOOOOOOOO!

Laura then hears something behind her and quickly runs into the house and shuts the door, but when she's about to slam the door, the Woman appeared, looking straight into her eye. Laura pushed herself to the floor and slowly walks into the kitchen. Laura hides under the table and quickly slides a knife out of it holder. Laura looks around and sees nothing. She slowly starts to clam until, a hand grabs her hand. Laura slowly turns and sees, the Boy.

****Boy**-** (Meow)

Laura gasps for air and rushes out of the kitchen and tries to go into the hallway, but the shadowy darkness was crawling in on her and the Boy was behind.

****Laura**-** HELP ME!

****--DAYS LATER--****

Hamtaro's house is filled with cops, and investigators. After days of no activity, a neighbor decides to go over to Laura's family and found Marian and Forest dead, Laura is a shaking coma and Hamtaro in shock. Laura was taken to the hospital, along with Hamtaro.

****--HOSPITAL, HAMTARO'S ROOM, 3:03 PM--****

Hamtaro lies on a bed, with a white wrap wrapped over his head. And Hamtaro is sleeping so peacefully for the first. The whole entire gang have come back yesterday for they heard the news. As the gang rushes through the hospital's obstacles, they worry "What happened to Hamtaro, is he ok?"

****Bijou**-** Is he alright?

****Boss**-** Man, look at him. I never thought this could have happened, Hamtaro must feel bad right now.

****Howdy**-** Yes, I can't even think of a joke to blurt out.

****Dexter****- That's not a bad thing, it's a good thing.

Hamtaro starts to shake a bit and blood is starting to come out of his nose.

****Bijou**** Oh, my God! Hamtaro!

****Boss****- Hamtaro, it's me buddy, it's us.

Hamtaro stills shakes and continues to bleed , but slowly stops bleeding and shakes a little, like a vibrator. Hamtaro is about to face something that might be between Life and Death.

****FINAL CHAPTER****

* * *

>Hamtaro looks straight forward, towards the House, where everything started and will end. The moonlight is perfect, and everything around is nothing but darkness. Hamtaro slowly walks towards the house and started to climb up the little stairs, but then he heard something that almost stopped his heart.<p><p>

****Laura**** (Scream)

Hamtaro quickly climbs up the stairs and squeezes himself through the door, but is stuck. Hamtaro tries to nudge himself, but something catches his attention. Hamtaro looks up and sees the moonlight shining on him. But then, darkness was descending towards

****Hamtaro****- Ahhhh! Help me!

Hamtaro pushes himself even harder, but still no use, he's stuck and the darkness was getting closer. Hamtaro started to freak out and shrieks out for help. He even started to cry. As the darkness was about to touch Hamtaro, Hamtaro squeezes out in time and the door closes in darkness. Hamtaro was so scared, that he fainted onto the floor.

__-UPSTAIRS, HALLWAY, CLOSET-__

Laura shockingly opens the closet door, in which she is hiding in. She looks around and sees nothing quickly makes a run for it to the bathroom and locks the door. She puts her back on the door. Laura makes her way to the mirror. She starts to cry.

****Laura****- Why? Why me?

Laura sees fog inside the bathroom, suddenly, the showerhead is on and hot water is coming out. Laura can't see, the fog is covering her view. Laura reaches for the doorknob, but something grabbed her hand. Laura tries not to look back, but her fear forces her to. Laura sees

a blood covered ghoul, screaming.

****Laura-**** AAAAAAAAAAAAAHHHHHHHHHHHHHHHHH!

Laura dashes out of the bedroom, but he ends up back into the bathroom, except its morning time, and there is a tub filled with water. Laura wipes her tears and tries to open the door, but it won't budge. Laura hears a noise, coming from the water. Laura slowly lifts her feet and moves towards the water. Laura bends over and looks directly into the water, seeing only her reflection. Suddenly, a hand popped out of the water and grabs Laura, who drops to the floor, struggling as the hand tries to pull her in.

****Laura*-** LET GO OF ME! HELP! AAAHHHHHHH!

The hand pulls Laura into the water and Laura disappeared from sight. All Laura could feel was water, and only could see darkness. Laura felt close to death pull her arms through water and kept pulling and suddenly she pops out of the bathtub, holding onto the edge while floating on dark water. Laura coughs out some of the water and crawls onto the floor, just gasping for air. Laura slowly drags herself to the floor of the bathroom. She coughs water out of her, she's in hell.

DOWNSTAIRS, FOYER-

Hamtaro opens his eye, revealing the sight of fear to him. Hamtaro tries to move, but his legs are immobile. Hamtaro hears a gagging noise behind him, and he sees a black fog, slithering its way up the stairs. Hamtaro knows what this means, it might be the end of Laura.

****Figure*-** AAAAHHHHHHHHHHH!

Hamtaro crawls across the floor in fear, seeing the blood covered figure almost made him piss on the floor, but not really. The figure then grabs Hamtaro's leg, pulling him towards it. Hamtaro looked at this figure, looked into its eyes. Hamtaro's mind has escaped once moreâ€¦

HALLWAY, DAY-

Hamtaro, stuck in the vision once, has a feeling this might be the last time he'll be alive. Hamtaro once again sees the boy running to the end of the hallway. Hamtaro slowly walks to the end of the hallway, only to see, the woman figure he's been seeing, dead on the floor.

****Kid*-** AHHHHHHH! NO!

A man, holding a knife that is plunged into the woman, stands up and comes after the kid.

****_FLASH!_****

Hamtaro sees things in his head, he wished he never had. He sees the man drowning the boy in the tub. The boy struggles, but slowly gives.

Hamtaro somehow is no longer downstairs, but in the bathroom and he sees, Laura and a black fog on top of her, what It seems like choking her.

****Hamtaro****- You leave her alone! Stop!

The fog slowly started to disappear. Laura then gasps for air and sees Hamtaro.

****Laura****- Hamtaro! Are you ok!

Suddenlyâ€¦| ****_FLASH!_****

Laura and Hamtaro both have woken up from their coma and for what they saw, they think they are at the

__HOSPITAL, NIGHT, 9:02 PM__

Her parents were dead, she broke one rule that offended the spirits, but still, she have survived somehow, which the mystery that she'll lock in her mind. But Hamtaro knows why they survived, and he knows they are lucky even to survive THE GRUDGE, a grudge that was created by one murder, and was defeated by one rodent. Hamtaro have defeat it; the secret was to know what happened in that. This spirit's grudge was mainly anger towards people. It was mad that no one could save her; it gave it too much anger to control.

__NEXT DAY, LAURA'S HOUSE, DAY__

Laura and Hamtaro are moving away, after all that has happen, the grandparents his its right for the both of them. Hamtaro's little friends arrived at the hose and both snuck into the car to have their last minutes with Hamtaro

****Bijou****- Hamtaro, why are you leaving?

****Hamtaro****- I think it's the best. I mean, after all that has happen, staying here might not make these scars heal.

****Maxwell****- You don't have scars, scars are wounds caused by any inflicted damage upon your skins or anything inside-

****Hamtaro****- Not those kinds of scars.

****Boss****- Then what kind of scars are you talking about?

****Hamtaro****- You see, after all that has happen, something was taken away from me. This whole experience will never be forgotten, but soon, it might fade away, but that takes time. Stay here won't help me at all. I need to go away and make these wounds heal.

****Howdy**** Awâ€¦| partnerâ€¦|. (sobs) I'm gonna miss ya!

****Dexter****- Me too!

The whole entire gang started to cry. The feeling of losing someone they cared about is almost like being run over by a truck and having a knife plunged into your heart.

****Hamtaro****- Don't worry, I'm sure we'll meet again soon.

****Bijou****- You will.

****Hamtaro****- I'm promise and I never break promise.

The car began to start up and the Ham-Ham got off the car and watched as their beloved friend Hamtaro waved goodbye as the car suddenly vanishes.

Hamtaro and Laura will always be scarred for life; they knew nothing could make them forget about what happened these past few days. This will teach you all that spirit and people have one thing in common, they both can carry a grudge, but in a different form. So the next time you enter house, I'm sure this question will pop up in your mind and exit your lips.

"What happened in this house?"
